SÓPERS HOUSE.

MEETING ROOM 1

Introducing MR1, our premier meeting room for up to 12 people, with additional couches for a more inclusive setting.

Equipped with whiteboards, a large TV for presentations, and state-of-the-art AV equipment for video calls, it's perfect for casual meetings. Enjoy year-round comfort with heating and air conditioning.

The vibrant aesthetics and dedicated catering area for coffee breaks ensure a productive and relaxed environment.

MEETING ROOM 2

Presenting MR2, our sophisticated medium-sized meeting room designed for up to 12 guests.

Perfect for intimate, momentum-building meetings, this space features an integrated plasma screen for seamless presentations and idea sharing.

With heating and air conditioning, it ensures comfort year-round. Additionally, MR2 is equipped with modern day AV requirements.

Enjoy a dedicated catering area for complimentary and refreshing tea or coffee breaks, ensuring both productivity and comfort.

SÓPERS HOUSE. CONNECTING ROOMS

For larger meetings,
we can open the
interconnecting doors
to merge MR1 & MR2
into one expansive
space.

MEETING ROOM 3

Last but not least, MR3 is our cosiest meeting room, seating up to 6 people.

Equipped with a TV screen for seamless presentations, as well as in-built power sockets and air conditioning options, MR3 ensures a comfortable environment for ideas to flow effortlessly and essentially is perfect for you and your team to focus and get to work.
